CALL FOR PAPERS

THE FIFTEENTH INTERNATIONAL SYMPOSIUM ON MECHANICS, AEROSPACE AND INFORMATICS ENGINEERING 2021 (ISMAI-15 2021) January 25, 2021 as "Online Virtual Symposium"

Organized and Sponsored by Gyeongsang National University, Korea and School of Science and Technology, Meiji University, Japan

ISMAI-15 2021

IAI-15 2021 will cover new research findings and developments on Advanced Mechanics, the and Informatics Engineering. Through <u>virtual oral presentations</u>, participants are age. To exchange the state-of-the-art technology information and discuss up-to-date and and development. The topics and subjects include, but are not limited to, new in findings and developments in the area of; Thermal Fluid Energy and Power Engineering also beginn the CAE and Applied Mechanics / Dynamics, Control and Mechatronics / Medical aring Design, Production and Tribology / Aerospace Engineering.

Key Dates for Submission
Abstract Deadline: November 1, 2020
Final Paper Deadline: December 1, 2020

Abstract Submission, Selection, Paper Submission and Presentation

Abstract (less than 300 words) should be submitted to the technical committee not later than November 1, 2020. The abstract should be with title, name of author(s) (both in English and Japanese), affiliation, grade(B4/M1/M2/D) and e-mail address. Limited number of papers will be accepted after selection by the technical committee. Final camera-ready paper for publication in the proceedings (A4 size up to 4 pages including figures and tables) must be received by the technical committee as a PDF file not later than December 1, 2020. Virtual oral presentation should last no longer than 10 minutes to allow 5 minutes for questions and changeover to the next speaker. Abstract and paper should be e-mailed to the technical committee (ismai@meiji.ac.jp).

Executive Organization at Meiji University:

Chairperson:

Toshitake Tateno, Professor, Department of Mechanical Engineering Informatics

Secretary:

Tets Aizawa, Professor, Department of Mechanical Engineering Informatics Kenji Hashimoto, Associate Professor, Department of Mechanical Engineering Informatics Akira Saito, Assistant Professor, Department of Mechanical Engineering
