

# International symposium for accelerating the dissemination of Japanese environmental-sound technologies

KAKENHI session: Research Report of JSPS KAKENHI "Low Carbon Society and Carbon Dioxide Capture and Storage"

WIPO GREEN session: Green Technology Marketplace 2022

Hosted by:  
Meiji University Center for Polymer Science

Co-hosted by:  
The Centre for Environmental Law, Meiji University

Sponsored by:  
Meiji University Headquarters of International Collaboration,  
Meiji University Organization for the Strategic Coordination  
of Research and Intellectual Properties,  
The association of Meiji University Professional Engineers,  
and IPEJ Research Committee for WIPO GREEN

Partner of  
**WIPO GREEN**

In this international symposium, as the efforts of industry-government-academia collaboration, including overseas collaboration, aiming at the transition to a sustainable society, we will focus on the following two topics.

- Report on research results on laws and regulations for CO<sub>2</sub> capture and storage in the Asia Pacific region
- As in the previous year, regarding the use of "WIPO GREEN" (an initiative of the United Nations World Intellectual Property Organization to promote the overseas transfer of environmental technologies), this year's discussion will focus on the sub-Saharan Africa region with the participation of local experts.

Date:  
**January 21, 2022**

Friday 13:30-18:30 (It will be open at 13:00)

Venue:  
**Online Zoom system**

will be used, and consecutive interpretation will be available.

Admission:  
**Free**  
of charge

## How to participate: Advance registration is necessary.

Please submit application by using the participation form (refer to the QR code) by Tuesday, January 18, 2022. We will send the Zoom information necessary for the participation to the registered people on Wednesday, January 19, 2022 onward. Please note that we will stop receiving application once the full capacity is reached.

Capacity  
**100**  
people

## Program

13:30 - 18:30 JST

(6:30 - 11:30 CAT, 7:30 - 12:30 EAT, 11:30 - 16:30 WIB, 12:30 - 17:30 PST, 15:30 - 20:30 AEDT)

### Session 1: Research Report of JSPS KAKENHI Grant Numbers JP17H04488

#### "Low Carbon Society and Carbon Dioxide Capture and Storage" (Moderator, Eiji Komatsu)

- 13:30~13:35 Opening Remarks, Principal Investigator: Kenichiro Yanagi
- 13:35~13:55 Clean Energy Strategies and CCS in Asia, Jinmiao Xu (Asian Development Bank)
- 13:55~14:15 Building Decarbonization Society in Indonesia through CCUS, Rachmat Sulel (Institut Teknologi Bandung)
- 14:15~14:35 Legal and Policy Framework for Low Carbon Society and CCUS, Kenichiro Yanagi, Eiji Komatsu (Meiji University)
- 14:35~14:50 Climate Change Policy in Japan, Akiko OKAMATSU (Hosei University)
- 14:50~15:05 Climate Change Policy and CCUS in Australia, Ian Havercroft (Global CCS Institute)
- 15:05~15:15 Wrap Up Session 1 and Closing Remark, Kenichiro Yanagi
- Break 15 minutes ————

### Part 2: WIPO GREEN Session

#### Green Technology Marketplace 2022

#### - Cooperation with Africa through WIPO GREEN

- 15:30~15:35 Opening Remarks: Kazukiyo Nagai Moderator: Kenta Hagiwara
- 15:35~15:55 Keynote Speech: Tomoki Sawai (WIPO Japan Office)

#### Theme A: Political and economic situation of African countries and the history of technical cooperation and support from Japan

- 15:55~16:15 Political and Economic Situation in Africa and Sub-Saharan Region Yuichi Sasaoka
- 16:15~16:35 International cooperation in the field of waste management in Africa Tatsuro Mori, Global Environment Department, JICA

#### Theme B: Environmental technology needs and required support in African countries

- 16:35~16:45 Latest status of WIPO GREEN and its activities in Africa Yorimasa Suwa
- 16:45~17:25 The need for impact investment in Africa and the use of WIPO GREEN in environmental technology development Edward Mungai (Kenyan Climate Innovation Center)
- 17:25~18:05 Environmental technology needs in Zimbabwe and the potential of WIPO GREEN in supporting innovators Rumbidzayi Rosemary Mlambo (Techwoman Zimbabwe)
- 18:05~18:25 Q&A and Summary of Part 2 Yorimasa Suwa, Kazukiyo Nagai
- 18:25~18:30 Closing remarks: Yuichiro Tsuji Moderator: Kenta Hagiwara
