Use the hints to complete the chart. **Please note:**

1. Do this assignment **by yourself**, not with a classmate.
2. It must be turned in on the day that you do NOT do the Oral Communication Strategy Quiz (i.e., the end-of-semester speaking test).
3. Submit it in **at the beginning of class**. There is a reason for this.
4. This assignment counts for your **total class contribution** for the day that you don't do the speaking test.
5. Late papers **will not be accepted**.
