[v25

10

This checklist was explained in class + mentioned during draft checks.

Only <u>COMPLETED</u> reports submitted <u>ON TIME</u> are accepted.			
 ON TIME = 2 versions submitted <u>BEFORE</u> class starts on <u>the last day of the</u> 	e sem	<u>ester</u> .	
 Completed report = print version and digital version by email (Mineral Management) 	croso	ft WOF	RD)
❖ Late reports = failure of the class.			
Reports will then be graded by the checklist.			
The report requires 3 sections: <u>250 words + 500 words + 250 word</u>	s =	1,00	00 words
Course failure comes from: DO NOT USE AI (Chatque)	PT,	MT,	etc.)
No citations or references			
 Basically only TRANSLATING sources instead of PROCESSING them ANY Al use (either to write the report or to improve sentence grammar or vocab	ularv)		
ANY plagiarism (剽窃、盗作、コピペ、Al writing)	<u> </u>		
Microsoft WORD tools (spelling, grammar check, etc.) are *** OK *** to	use.
